That terrible drouth out in Kansas has sent her bank account up to \$80,000,000.

Lamar has a candidate for State Superintendent of Public Schools in the person of A. J. Wray.

Fate seems to be against the corn this year. The brouth played havoc with this year's crop and now the weevil is making way with much of the old corn left over from last season.

The people of Jasper respectfully request Merrill and Hardenbrook, if it is convenient, to strike gas as soon as possible when they begin drilling west of the city, as they would be pleased to heat their homes with it this winter.

The county court knows how to get rid of the county's money. The statutes limits the amount expended for contingent purposes to one-fifth of the revenue. That would give \$17,763.79 to that fund. The present court has already drawn warrants upon this fund to the amount of \$26,721.71, or nearly \$19,000 for the first ten months of the year, more than the total revenue for the entire year.

Doubtless President Roosevelt knew what he was doing when he invited Booker Washington to dine in the White House. Some of his Southern friends will not like it as a violation of all precedent. But Mr. Roosevelt is a man who does not allow himself to be hampered by precedent. Moreover, the Hindu idea of caste does not prevail in this country, and a President of the United States may invite a clean and respectable man of any race to dine with him without suffering detriment. Besides all that, Booker Washington is one of the South's great men, and he isn't the first Washington that ever dined in a presidential mansion, either.—Chicago Tribune.

Some McKinley Sayings.

A noble manhood, nobly consecrated to man, never dies.

God puts no nation in supreme place which will not do supreme duty.

Patriotism is above party and national honor is dearer than any party name.

The American name lies at the very beginning and foundation of a pure national life.

God will not long prosper that nation which will not protect and defend its weakest citizens.

Christian character is the foundation upon which we must build if our citizenship is to be lifted up and our institutions are to endure.

Improvement in every walk of life is the outgrowth of thought and discussion and ambition. We do better as we are better ourselves.

Self-government politically can be successful only if it be accompanied by self-government personally; there must be government somewhere.

The American home where honest sobriety and truth preside, and a simple, every-day virtue without pomp and ostentation is practiced is the nursery of all true education.

The want of the time is manly men; men of character, culture and courage of faith and sincerity; the exalted manhood which forges its way to the front by the force of its own merits.

It is the duty of each of us, by word and act, in so far as it can be done, to improve the present condition. But above all, we must not disparage our government. We must uphold it and uphold it at all times and in all circumstances.

The to-morrows are too full to be crowded with the yesterdays. We must move on and forward. We must learn that every day is a new day, with its own distinctive and commanding duties, and cannot atone for the yesterdays unimproved.

FREEDOM.

Why seek to force your rules on me, And why should I set bounds for you? The joys I find you may not see Along the pathways I pursue— Let me be free to go my way, And you find joy as best you can, As long as we may truly say We work no wrong to any man.

Be happy; and let me be glad, You in your way and I in mine; And let the mad world deem us mad, And let the little dogs go whine! Let me be happy in my way, And you find joy as best you can; Be tragic, if you please, or gay, So that you wrong not any man.

—S. E. KIRBY.

A WORTHY SUCCESSOR

Something New Under the Sun.

All doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a treatment which when faithfully used, not only relieves at once but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only medicine known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SUFFLES" the GUARANTEED CATARRH CURE and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve RAY FEVER or COLD IN HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SUFFLES" the GUARANTEED CATARRH CURE.

Sent prepaid the United States or Canada on receipt of One Dollar. Address Dept. 1 EDWIN B. GILES & COMPANY, 2330 and 2332 Market Street, Philadelphia.

It Happened in a Drug Store.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says C. R. Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what a cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's cough remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's cough remedy. I consider that a very good recommendation for the remedy." It is for sale by Webb Bros.

Tot Causes Night Alarm.

"One night my brother's baby was taken with croup," writes Mrs. J. C. Snider of Crittendon, Ky., "it seemed it would strangle before we could get a doctor, so we gave it Dr. King's New Discovery, which gave quick relief and permanently cured it. We always keep it in the house to protect our children from croup and whooping cough. It cured me of a chronic bronchial trouble that no other remedy would relieve." Infallible for coughs, colds, throat and lung troubles. 50c and \$1.00. Trial bottles free at Webb Bros.

Is Life Worth Living?

Then don't neglect a cough or cold, especially when only twenty-five cents will buy a bottle of Mexican Syrup. It is so soothing and so many consumptives have been made well by its use. Read some of the testimonials on the wrapper around each bottle that prove this remedy more sure for deep seated colds, habitual coughing and even consumption, than any other remedy known to physicians, many of whom recommend and prescribe where less efficacious remedies fail.

"I had long suffered from indigestion," writes G. A. LeDeis, Cedar City, Mo. "Others I tried many preparations but never found anything that did me good until I took Kodol Dyspepsia cure. One bottle cured me. A friend who has suffered similarly I put on the use of Kodol Dyspepsia cure. He is gaining fast and will soon be able to work. Before he used Kodol Dyspepsia cure indigestion had made him a total wreck. E. I. LAUDERBAUGH DRUG CO.

"For three days and nights I suffered agony untold from an attack of cholera morbus brought on by eating cucumbers," says M. E. Lowther, clerk of the district court, Centerville, Iowa. "I thought I should surely die, and tried a dozen different medicines but all to no purpose. I sent for a bottle of Chamberlain's colic, cholera and diarrhoea remedy and three doses relieved me entirely." This remedy is for sale by Webb Bros.
